PREFACE

Dedicated genealogists the world over are working to preserve all records which will aid in the search for their ancestral heritage. The Genealogical Society of Stanislaus County, California, is actively engaged in this worthwhile project.

The Society wishes to thank the City of Modesto for permission to abstract the probate packets. To Mrs. Heidi Warner, Curator of the McHenry Museum (where the probate packets are stored) is extended the gratitude of the Society for her patience and helpfulness with the project.

The historical map of Stanislaus County was drawn by local historian, Mr. Jack Brotherton, for the 1976 Bi-Centennial and used by permission of Mr. Brotherton. The maps were donated by Belt Printing Company of Modesto, California.

A very special vote of thanks goes to Mrs. Elsa Anderson for her dedication in chairing the project and for her untiring efforts in checking for accuracy of the abstracts.

The Society is indebted to Mrs. Janet Parker for typing and indexing of the complete project and to her husband, J. Carlyle Parker, for his sound advice.

Acknowledgment is the only reward offered to the following volunteers for their part in the project:

Abstractors: Irene Adler, Elsa Anderson, Carol and Phil Ashmun, Chris Barnes, Dorothy Binda, Betty Bradley, Eloise Crary, Charles Crawford, Elizabeth DeBrouwer, Joan Freitas Ertrachter, Cecil Kilroy, Ruth Lawrence, Mary Murphy, and Pauline Priest.

Publishing Committee: Mileta Kilroy, chairperson; Irene Adler; Ora Mae Crane; Eloise Crary; and Elizabeth DeBrouwer. This committee also did the proof reading, assisted by Elsa Anderson and Janet Lancaster.

These abstracts have been checked and rechecked for accuracy, but human error is still a possibility. For that reason the Genealogical Society of Stanislaus County disclaims any responsibility for errors. It is hoped that the user will check the original probate packets, which are currently housed at the McHenry Museum of Arts and History, 1402 I Street, Modesto.

Copies of this publication may be ordered from the Society. Inquiries about a specific probate should be directed to the Society.

Probate Numbers:

Earlier probate packets numbered 1-785 (1854-1900) have been prepared for future filming by the Genealogical Society of Utah. An index to these probates is in the McHenry Museum.

Missing probate numbers indicate that no file was found; they are possibly in another court.

Two packets with the same number have been designated (1) and (2), for example, 889(1) Death; 889(2) Guardianship.

Names:

Names were extracted as written on the document, some with variant spellings.

Index is to all personal names mentioned in the probates. Names indexed in all capital letters indicate probate of that person.
